

Upper Nazareth Township 2009 Leaf Collection Program

The Upper Nazareth Township leaf collection program will begin on October 19, 2009.

The Public Works Department has prepared a tentative leaf collection schedule. The road crew will work ahead, but come back on the designated days for an area barring weather delays or unforeseen problems. Please visit the website at www.uppernazarethtownship.org or stop by the municipal building at 100 Newport Avenue for a copy of the schedule.

Residents of Upper Nazareth Township are required to rake the leaves to the curb. **Please remember that no bags, sticks, branches, grass clippings, shrubbery or garbage will be collected.**

If there are any questions or concerns regarding leaf collection please call the Upper Nazareth Township Public Works Department at 610-759-5341, option #5.
