

Pool Permit Update

UPPER NAZARETH TOWNSHIP

A permit is required for **any** structure intended for swimming or recreational bathing that contains over 24 inches or more of water (this includes **blow up pools**, in-ground pools, above-ground pools, and on-ground swimming pools, hot tubs and spas). A fence or similar enclosure surrounding the pool is necessary for pools/hot tubs/spas 48 inches and below. A fence shall extend not less than 4 feet above the ground and not more than 6 feet above the ground and a permit **is** necessary for a fence. All gates shall be self-closing and self-latching, with latches placed at least 4 feet above the ground. A swimming pool shall not be located in a minimum front yard. The water surface and any raised decking of a swimming pool shall be a setback of a minimum of 10 feet from side and rear lot lines. An inspection by a third party inspector will be required to comply with the Uniform Construction Code Appendix G, and the Upper Nazareth Zoning Ordinance – As Adopted July 18, 2007, as determined by the Zoning Officer.
